MESSAGE

from our pioneers

“

At Welcome, we will not just craft home appliances; we're committed in shaping experiences. With a commitment to excellence rooted in our local heritage, we fuse traditional wisdom with modern innovation to create export-quality products that resonate globally. Each appliance is a testament to our dedication, reliability, & the needs of customers.

”

INTRODUCTION

Welcome Home Appliances, a bastion of quality and reliability in the realm of home appliances, stands as a testament to decades of dedication and innovation. Established in 1986 with a vision to revolutionize household living, being rooted in a commitment to excellence and customer satisfaction.

Driven by a passion for perfection, Welcome Home Appliances has consistently raised the bar in the industry, setting benchmarks that others aspire to reach. Our relentless pursuit of excellence has garnered us a reputation as a brand that not only meets but exceeds expectations, earning the loyalty of discerning consumers across the globe. As we embark on the next phase, we are proud to announce our foray into the global market. With a firm foundation built on decades of experience and a legacy of trust, we are poised to extend our reach by providing our exceptional home appliances to households worldwide.

VISION

To provide quality appliances & offering new models with innovative designs

MISSION

We are committed to bring pleasure in the lives of our customers through quality appliances and by continuous improvement in our standards while taking care of environment

OUR JOURNEY

MODERN ELECTRIC WATER HEATERS

We kept on advancing by introducing modern series of Water Heaters (Semi, Smart, Ultra) to cater all sorts of needs our customers from all walks of life during winters.

COOL APPLIANCES

We progressed and stepped into another cool appliances (water and air coolers) to serve the customers in all aspects to enhance their lifestyles during summers.

KITCHEN APPLIANCES

We added Kitchen Appliances (cooking range, hobs, hoods) to elevate our customer's culinary experience with our range of appliances to unleash their your inner chef.

GAS STORAGE WATER HEATER

Our story began with the intro of the Gas Storage Water Heater marking a pivotal moment; from day one, we focused on in-house manufacturing, distribution, and servicing of these essential appliances.

COOKING HOBS

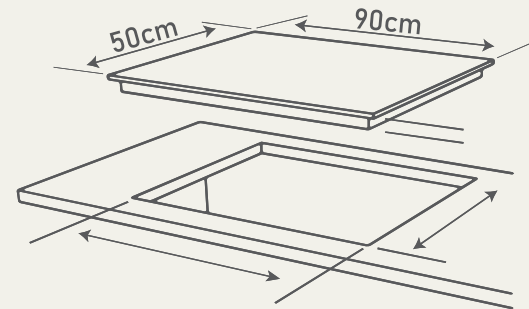

MODEL : WC-3333

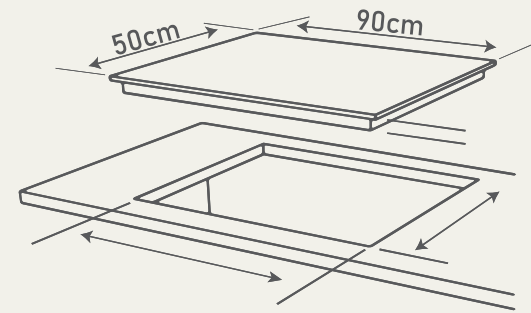

- Powerful 3 Brass burners and stands for rapid heating of large pots
- Cast Iron Grills
- Electric ignition and smart heating controls
- Self clean like professional cleanliness without the scrubbing
- Metallic knobs for quality feel & long life
- Width 90cm - Depth 50cm

MODEL : WC-334

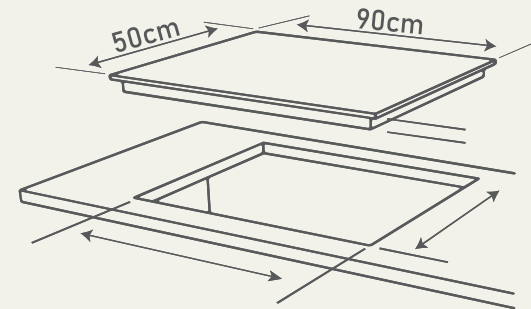

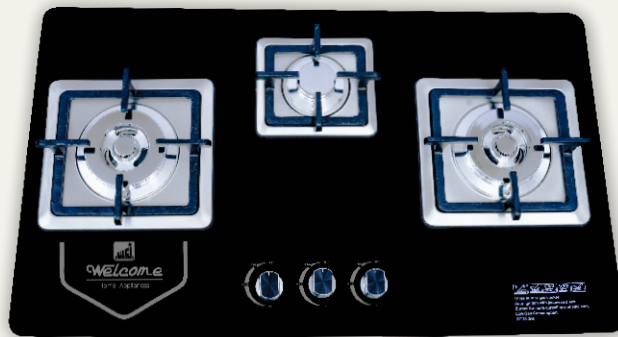

- Powerful 3 burners and stands for rapid heating of large pots
- Cast Iron Grills
- Electric ignition and smart heating controls
- Self clean like professional cleanliness without the scrubbing
- Metallic knobs for quality feel & long life
- Width 90cm - Depth 50cm

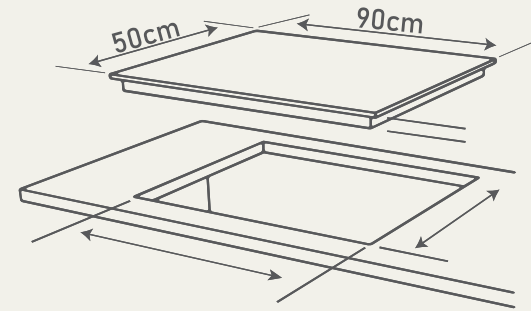

MODEL : WC-534

- Powerful 5 Brass burners and stands for rapid heating of large pots
- Cast Iron Grills
- Electric ignition and smart heating controls
- Self clean like professional cleanliness without the scrubbing
- Metallic knobs for quality feel & long life
- Width 90cm - Depth 50cm

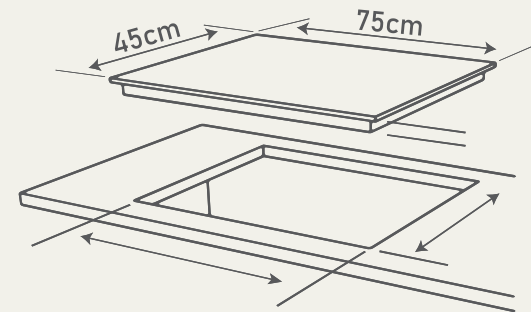

MODEL : WC-334

- Powerful 3 Chrome Brass burners and stands for rapid heating of large pots
- Cast Iron Grills
- Electric ignition and smart heating controls
- Self clean like professional cleanliness without the scrubbing
- Metallic knobs for quality feel & long life
- Width 90cm - Depth 50cm

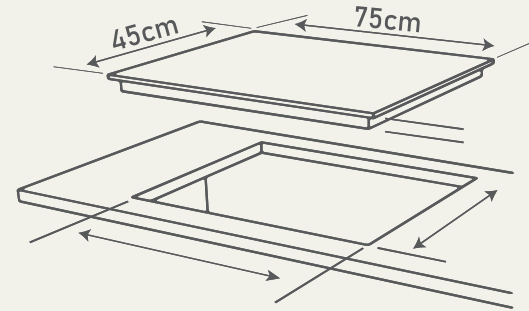

MODEL : WC-534

- Powerful 5 burners and stands for rapid heating of large pots
- Cast Iron Grills
- Electric ignition and smart heating controls
- Self clean like professional cleanliness without the scrubbing
- Metallic knobs for quality feel & long life
- Width 90cm - Depth 50cm

MODEL : MH-293

- Powerful 3 burners and stands for rapid heating of large pots
- Cast Iron Grills
- Electric ignition and smart heating controls
- Self clean like professional cleanliness without the scrubbing
- Metallic knobs for quality feel & long life
- Width 75cm - Depth 45cm

MODEL : WC-193

- Powerful 3 burners and stands for rapid heating of large pots
- Cast Iron Grills
- Electric ignition and smart heating controls
- Self clean like professional cleanliness without the scrubbing
- Metallic knobs for quality feel & long life
- Width 75cm - Depth 45cm

KITCHEN HOOD

- LED Task Lighting
- Noise Reduction Technology
- Powerful 3-Speed Fan
- Low Profile Design
- Touch Controls

WATER HEATERS

SMART ELECTRIC GEYSER

- Pure Plastic Outer Body
- Glass Coated Heating Element
- Anti Rusting Magnesium Rod
- Heavy Gauge Water Tank with X-Ray Welding
- Pure Brass Safety Valve
- Imported Thermostat
- Auto Circuit Breaker

ULTRA ELECTRIC GEYSER

- Pure Plastic Outer Body
- Polyurethane Insulation for Heat Retention
- Thermal Over-Heating Cut-out Breaker
- Glass Coated Heating Element
- Anti Rusting Magnesium Rod
- Heavy Gauge Water Tank with X-Ray Welding
- Pure Brass Safety Valve
- Imported Thermostat
- ELCB Circuit Breaker
- Capacity: 30Ltr.
